CAUTION / PRECAUCIÓN

FIRST AID

IF IN EYES: flush with water for at least 15 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Contact a physician if irritation persists.

IF ON SKIN: Wash exposed area with plenty of soap and water for at least 15 minutes. Contact a physician if irritation persists.

STORAGE & DISPOSAL

Non-refillable container. Do not reuse or refill this container.

STORAGE: Store in a secured place, away from open flame. Keep container closed and resealed after use. Product may be damaged by freezing. Do not store product below 40°F (4°C). If spilled, use absorbent material and dispose of in an approved manner.

DISPOSAL: Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Triple rinse container. Once cleaned, some agricultural plastic pesticide containers can be taken to a container collection site or picked up for recycling. To find the nearest site, contact your chemical dealer or manufacturer. Or puncture and dispose of in a sanitary landfill, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Application Directions:

Before mixing the concentrate with water always shake the container until milky yellow in color. It is essential to ensure even dilution and an even mixture. Dilute 1 part concentrate with 280-300 parts water. (43-45 Fl oz per 100 acres) Coverage is essential, spray until run off. (60-100 GPA)

CROP	PEST	RATE/ 100gal water	Minimum Spray Volume Per Acre
